The sole purpose of the committee is to develop rules, to the best of their ability, that are fair and equitable for all property owners which will be presented to everyone once the project is completed. In order to accomplish this it requires the help and input from all owners.

It is requested that an owner recommend a solution to any issues that they present. Keep in mind that this committee is not a governing body.

Suggestions and ideas are highly sought after and needed from the entire membership. Please forward your correspondence to **lcpoacovenants@hotmail.com** so that the Information may be shared with the entire committee.

Please be advised that the committee may not be able to respond to each and every owner in a timely manner but all information and suggestions submitted will be reviewed.
