

Membership Dues for the 2008/2009 Season

To clarify some misinformation you may have read or heard, the recent Appeals Court decision questioned the validity of our covenants, but did not dissolve our association, or its by-laws. Under the advice of our Attorney, our Lake Camelot Property Owners Association continues to operate in support of our membership, and as members receiving the benefit of the association, you are expected to pay your dues. In addition, we intend to conduct gypsy moth spraying this spring, as planned. We ask that you pay your share for that, as well, in order to protect our Lake Camelot environment. Payments are due May 1, 2008.

If a member opts not to pay his or her dues, they will not be entitled to use any of the common LCPOA facilities; such as the lodge, recreational area, boat launches, and dump sites. Also, only dues paying members will be entitled to vote in any LCPOA elections.
